EXPERIENCE

Frontend Developer (React.js) Intern — Welyft Pte. Ltd.

Singapore(Remote) | May2026–August2026

- Developed and maintained the company website (welyft.org) using React.js, contributing to frontend architecture, page development, and responsive UI implementation.
- Built frontend features and documentation for the platform's admin portal ecosystem, including Super Admin, Client, and Transporter modules.
- Developed and maintained responsive web application; debugged frontend issues to improve reliability.
- Optimized application performance through code-level improvements and rendering efficiency.
- Collaborated with the IT team on product and technology tasks, supporting end-to-end delivery of frontend features.
- Completed the internship in good standing; certificate of completion available on request.

Self-Directed Projects — MERN Stack Development

- Built multiple full-stack projects focused on REST API design, JWT authentication, database modeling, and responsive UI development.

PROJECTS

Welyft — <https://www.welyft.org/>

- Company website and platform frontend built using React.js, Node.js, Express.js, and MongoDB, including admin portal support (Super Admin, Client, Transporter).
- Tech Stack: React.js, Node.js, Express.js, MongoDB, JWT, Tailwind CSS

Flavorly — <https://flavorlyhub.netlify.app/>

- Full-stack food ordering web application with JWT-based authentication and REST APIs built using Express.js and MongoDB. Implemented mobile-first responsive scrolling UI; managed database using Mongoose and MongoDB Atlas.
- Tech Stack: React.js, Node.js, Express.js, MongoDB, JWT, Tailwind CSS

Porductr — <https://productr-app.netlify.app/>

- A full-stack product management system for efficiently managing products, inventory, categories, and user operations through a modern web interface.
- Implemented desktop-first responsive scrolling UI.
- Tech Stack: React.js, Node.js, Nodemailer, Express.js, MongoDB, JWT, Tailwind CSS

EDUCATION

MCA — University of Technology, Jaipur (2026)

B.Sc. Mathematics — Abhilasha College, Churu (2023)
